

Technical Note 1: Party Wall Layout Roof Space

Detail for Low Pitch Skillion Roof

Note: Panels require end restraint of 150mm min. To achieve this, the panel below must be cut accordingly.

Clip Spacing Refer to Table A (pg.24)
of Party Wall Installation Manual

Panels can be fixed using a single clip on the I-section or using two clips on either side of the I-Section

Optional C Channel
Refer to Party Wall Design and
Installation Guide (pg.24)
